We are proud to feature the new owners of Jumping Jacks Family Fun Center in Ogeechee Road—the Dequito family. The Dequitos recently took over the business and started new operation on August 11, 2017. The family fun center features several huge inflatables, almost 40 arcade games, mini bowling, laser tag, a redemption counter as well as a concession stand and their brand new attraction—the spin zone inflatable bumper cars. The place also offers 4 party rooms ready to host bottomless party fun! Come and enjoy some family time and also support this Filipino and locally owned family business! Mabuhay ang Filipino!

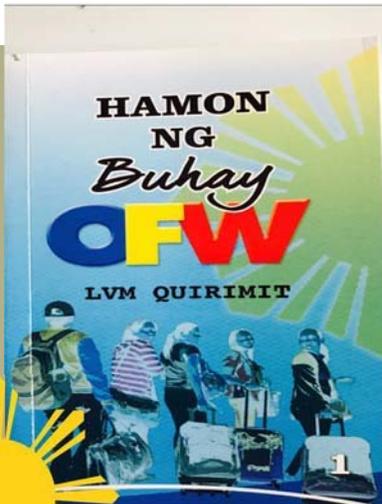

Location: 5918 Ogeechee Road, Savannah, Georgia 31419
(next to the Walmart on High-way 17.)

Pinoy Pride Spotlight:

We would like to congratulate our very own Fil-Am member, Mrs. Luz Quirimit for the success of her newly published book “Hamon ng Buhay OFW.” Published on June 8, 2017 all the way in Quezon City, Philippines, it tells of the many different stories of overseas Filipino workers also known as OFW’s through a collection of short stories, essays, and letter excerpts. As a Fil-Am community comprised of a majority of OFW’s, we can all relate to the ups and downs of the life abroad being away from family and to the land we call home. This book vividly paints a picture of the struggles we face and the accomplishments we achieve working and starting a new life in a foreign country. Nobody said it would be easy but we Filipinos always find our way through and make the most of it.

On behalf of the Fil-Am Association, we would like to thank Mrs. Luz Quirimit for this wonderfully written book to acknowledge the meager life of an OFW that we so often take for granted.

Copies are now available for \$10.00 from Mrs. Quirimit herself. Reserve a copy now!! Please contact her at 912-656-6875 for any questions.
